Yes she is that good. Love Story is an absolute tank of a female in a moderate frame package. Love Story will blow you away with her natural muscle definition, with tons of capacity and loads of hair. If you're thinking of a show female or a female to add to your herd Love Story will take you for a ride to remember. Love Story's grand dam was the supreme champion female at agribition. Love Story 104D is entered at Bull Congress in Camrose.
